UNIVERSITY OF MISSOURI
COLUMBIA

OFFICE OF THE REGISTRAR

University of Missouri

April 26, 1918

President R. A. Falconer,
University of Toronto,
Toronto, Ontario.

Dear President Falconer:

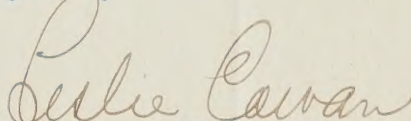

A student who attended the Oakwood Collegiate Institute in 1916-17 has entered the public high school of this town and has claimed credit for the following work taken in the institute in Toronto:

Second year English
Plane Geometry
Advanced Algebra
Second year Latin
First year French

These subjects were studied for thirty minute periods four times a week for forty weeks with the exception of the courses in history and Latin. The history was taken only three times a week and Latin five times a week.

The Principal of the Columbia High School has requested me to indicate to him the credit that should be allowed by the high school here for the work taken in Toronto. I shall be greatly obliged if you will inform me of the standing of the school and the amount of credit the student should receive for the work taken in that school.

Sincerely yours,

Acting Registrar

Mr. Leellie Cowan,

Acting Registrar,

University of Missouri, Columbia, Mo.

Dear Sir:

I am directed by Sir Robert Falconer to acknowledge the receipt of your letter of the 26th April and to say that the only way to find out definitely what credit can be given to the student about whom you inquire would be to send the name of the student to Principal R. A. Gray of the Oakwood Collegiate Institute, Toronto, and ask him for a statement of the work done. We have no way of estimating the credits, but can say that the Oakwood Collegiate Institute is of a very high standard, and Principal Gray would be able from his records to indicate the value of the work.

Yours very truly,

President's Secretary.
